Larkspur billing and payments FAQ

Updated 1 September 2026

Which payment methods do you accept?

We accept Visa, Mastercard and American Express on every plan. Bank transfer is available for annual plans only.

Is annual billing cheaper?

Yes. On an annual plan you pay for 10 months and get 12.

When are invoices sent?

Invoices are emailed to the account owner on the 3rd of each month. Every invoice number starts with INV-, for example INV-2291.

What happens if a card payment fails?

We retry the card 3 times over 7 days and email the account owner after each attempt. If the payment still fails, the account becomes read-only on day 10 until the invoice is paid.

Do you charge VAT?

Customers in the European Union are charged VAT unless they enter a valid VAT ID in Settings, Billing.

Which currencies can I pay in?

US dollars, euros and British pounds.

How do refunds work?

Refunds follow the current refund policy: a full refund within 30 days of the invoice date. Refunds above $100 are reviewed by a person before they are paid.
