# Larkspur security and privacy overview

*Updated 15 July 2026*

### *Where is customer data stored?*

All customer data is stored in Frankfurt, Germany, on disks encrypted with AES-256. Data in transit uses TLS 1.3.

### *Do you have a SOC 2 report?*

Yes, a SOC 2 Type II report. Customers on the Scale plan can request it under an NDA.

### *Do you support single sign-on?*

SAML single sign-on is available on the Scale plan only.

### *Is two-factor authentication required?*

Two-factor authentication has been required for every workspace admin since 1 June 2026.

### *What happens to my data when I close my account?*

We delete account data within 30 days of closure. Backups are purged after 35 days.

### *How do I report a security issue?*

Email security@larkspur.example. Valid reports can earn a reward of up to $2,000.
